Volume 21 Issue 7/8

Dear Friends,

Hi everyone, I am happy to say I will be the Aerie President for the next year.

I would like to thank our officers that have all served many years on the board and have all finished their terms. Dan Moore, Todd Bauer and Steve Ready for their years of service for the Aerie. I would also like to thank Jean Steil and Shirley Ready for their many years of service for the Auxiliary. We welcome Carol Spinoso, John Elliott and Charles Miller to our Aerie board and Missy Pauls and Kristin Goerdts to the Auxiliary board.

We will continue with pizza nights though the summer, and we will start up the other foods nights back up in September. Please consider helping work our food functions. We can't provide these if we don't have the volunteers to help work them. The sign-up sheets are on the bulletin board right when you enter the club.

The patio is almost done. The lights have been added and a T.V. should be installed shortly. We will be adding new tables soon also. We will have a celebration when it is all done!

I hope everyone has a great summer and come up and enjoy our new covered patio.

Worthy President,
Pam Schaefer

The Asbury Eagles Aerie and Auxiliary #4458 have selected the following high school seniors as this year's scholarship recipients:

Asbury Eagles Club Scholarship--Vira Hadzhiieva, Wahlert High School. Vira plans to attend the University of Iowa to pursue a degree in Finance. Her long-term goal is to pursue a degree in finance or business and build a career in finance, where she can contribute to strategic decision-making and economic growth.

Asbury Eagles Club Scholarship--Cameron Manderscheid, Hempstead High School. Cami plans to attend St. Ambrose University to study Pre-Occupational Therapy. She would like to work in a hospital setting and travel around until she is ready to come back and settle down. Cami would love to work at an out-patient facility and maybe help kids that were once like her.

The Austin J. Hennings Memorial Scholarship--Sophia Kruse, Hempstead High School. To be eligible for this scholarship the student had to be a graduate of Hempstead High School and be active in their community. Sophia plans to attend the University of Iowa and pursue a degree in therapeutic recreation. She plans to attend school for five years to graduate with a master's degree in Child Life. This will allow her to become a child life specialist in a hospital setting.

The Susan C. Bauer Memorial Art Scholarship--Bria Bauer, Wahlert High School. To be eligible for this scholarship the student had to pursue a degree in Art. Bria plans to attend the University of Northern Iowa to pursue a degree in Graphic Design. She plans to prepare for a career in Graphic Design where she can continue to grow in her creative abilities. She would love to have her own business someday where she can use her expertise to provide services related to branding, digital design, and marketing.

The Charles S. Uskavitch Jr. Memorial Scholarship--Paola Ibarra Bautista, Wahlert High School. To be eligible for this scholarship the student had to pursue a career in Public Safety. This would include law enforcement, fire, emergency medical services, or the field of medicine. Paola plans to attend Iowa State University to pursue a degree in Kinesiology with a pre-med route. She strives to become a doctor who will advocate for her patients. She is also fluent in Spanish so she would be able to help patients avoid this language barrier. She wants her patients to feel heard and seen.

Four of these students will receive a \$500 scholarship. The Susan C. Bauer Memorial Art Scholarship was \$700 this year.
